

# Technology Toolbox for Teachers

## A Guide for Using Media in the Classroom

HIGH SCHOOL/MIDDLE SCHOOL EDITION NOVEMBER 2001 VOLUME 4 ISSUE 3

## Shows Honor Servants of War for Veterans' Day

**WARSHIP (1yr) (2hr) airs Wednesday, November 7 and 14 at 8:00 p.m. MT/PT**

From wooden warships of the past to deep-diving submarines and massive aircraft carriers this four-part series covers the span of warships and technological advances that have shaped modern navies and changed the course of history. Web site

[www.pbs.org/wnet/warship/](http://www.pbs.org/wnet/warship/)

offers a number of interactive features including the opportunity to explore sonar.

**AMERICAN EXPERIENCE War Letters (1yr) (1hr) airs Sunday, November 11 at 9:00/8:00 p.m. MT/PT**

Based on Andrew Carroll's bestseller, *War Letters: Extraordinary Correspondence from American Wars*, this one-hour film transcends the

subject of war by exploring the love, passion, pain, horror and hope of the men

and women who fought and those who waited at home from the American Revolution to the Gulf War. Web site [www.pbs.org/amex](http://www.pbs.org/amex) has teacher guides to download.

**ACT OF DUTY (1yr) (1hr) airs Sunday, November 11 at 10:00/9:00 p.m. MT/PT**

This program uses the compelling real-life stories of more than two-dozen veterans (from WWII, Korea and Vietnam) and archival footage. Visit [wneo.org/actofduty/](http://wneo.org/actofduty/) to download a teacher's guide.

## Programs Celebrate Native American Heritage Month in November

**SACRED JOURNEY OF THE NEZ PERCE (UNL) (1hr) airs Tuesday, November 20 at 10:00 p.m. MT/PT**

The Nez Perce War of 1877 forever changed the lives of the Nez Perce people. This one-hour documentary tells of their struggle for survival and their determination to maintain their culture. It is also a story about spiritual journey of healing, patience and pride that has led many Nez Perce back to their cultural roots. Visit Web site [idahoptv.org/productions/](http://idahoptv.org/productions/) for additional background information.

**HAND GAME: THE NATIVE AMERICAN GAME OF POWER & CHANCE (1yr) (1hr) airs Monday, November 5 at 10:00 p.m. MT/PT**

This program explores the historic and mystic roots of hand game, the most

popular Native gambling game in North America. It is a journey that traverses the Flathead Indian Reservation in Arlee, Montana, plus the Crow, Blackfeet, Makah, Spokane, Coeur d'Alene, and Walker River Northern Paiute Reservations.

**THE BUFFALO WAR (1yr) (1hr) airs Thursday, November 15 at 7:00 p.m. MT and 8:00 p.m. PT**

Each winter, Montana livestock officials kill bison that migrate out of Yellowstone National Park to protect cattle from disease. **BUFFALO WAR** examines the controversial killing by interweaving Native American stories of a march for the last wild buffalo herd, the travails of a family trying to keep their cattle ranch and the efforts of environmental activists. Web site [www.pbs.org/buffalowar/](http://www.pbs.org/buffalowar/) offers additional links.

**THE MYSTERY OF CHACO CANYON (1yr) (1hr) airs Tuesday, November 13 at 10:00 p.m. MT/PT**

Chaco Canyon, located in northwest New Mexico, is one of the most elaborate and mysterious of ancient Native-American sites. This program investigates why the society chose the location; and why, after constructing buildings the size of the Roman Coliseum, did these same people deliberately seal them and abruptly leave.

## New Series for Classroom Begins

**STANDARD DEVIANTS TV (1yr) (30min) airs Saturday mornings, beginning November 3 at 9:00/8:00 a.m. MT/PT**

This series emphasizes a modern approach to learning that is anything but standard. The program digests and dissects diverse subjects ranging from Shakespeare and foreign language to science and technology. This is a great series to engage and excite students in all subject areas. Record now and use in your classroom later.

Episodes include: "Get Nervous" (Nov. 3) overviews the central nervous system and anatomy of the brain. "Our Amigos, Adjetivos" (Nov. 10) demonstrates how to correctly use tricky adjectives. "What's That Label on My Table?" (Nov. 17) dispels the mysteries surrounding nutritional labels. "Punct Rock" (Nov. 24) dissects punctuation, making it easier for students to master.
